**Dutch Boy** paint makes  
all the difference!

It's easy to *see* the difference. A *Dutch Boy* home looks brighter, cleaner, newer—it's a home you can be proud of! And there's a *practical* difference, too. As any Master Painter will tell you, *Dutch Boy* is smooth and easy to apply, gives maximum coverage, dries to an even, uniform finish. There's real economy in the extra years of beauty and protection that *Dutch Boy* gives you — beauty that resists fading, protection that keeps your home bright and handsome regardless of the weather. This is why homeowners everywhere are calling *Dutch Boy* the five-year house paint.

For the *whitest* home in town, and one that will *stay* white longer, use the *Dutch Boy* white best suited to your home. *Dutch Boy* makes a top-quality, specially blended white for every use. Your dealer will be happy to tell you about them.
